

## Role Posting **General Interest**

**Redemption Plus** is a one-of-a-kind organization where enthusiastic, caring people can lead full lives by bridging their professional and personal worlds. We don't have jobs and just show up for work each day. Rather, we invest our time in developing ourselves and building our company – helping each become the best they can be. After all, everyone here is trading each day of their life to live it with us. We embrace innovation, hard work and high performance, positive attitudes, open and honest conversations, and of course, playfulness!

It is our mission to help customers win by relentlessly driving out costly waste and rework, while simultaneously discovering impactful insights. Every action, every decision, every word we speak should fulfill our purpose: "Enriching lives through insights that empower."

Additionally, we live and breathe our three core behaviors: Customer-centric; Agents of Change; and Playfulness.

We hire with our "permission to play" behaviors in mind: Integrity; Teamwork; Innovative; Adaptable; and Personal Growth.

### **Placement Criteria:**

We are always looking for future team members who are an amazing culture fit i.e. people who embrace innovation, hard work and high performance, positive attitudes, open and honest conversations, and of course, playfulness. If you are interested in joining our team and don't see a position posted that is a fit for you, this is a general interest application.

### **Compensation & Care Package:**
