

Redemption Plus Redemption Centers

Leave a lasting impression

The way prizes are merchandised drives game room sales. Our redemption centers create a lasting impression that ensure your guests will return again and again.

**Custom
Counters
Designed for
Redemption**

Counters, walls, and bins are built to eliminate hard angles and focus on visual appeal. More durable than store bought, custom built to maximize space, plus you choose custom colors and special lighting.

**Minimize
Confusion,
Maximize
Profits**

Redemption center designs are organized to minimize guest confusion and help them move through efficiently. Game room and redemption counters are designed for optimal game play and traffic flow.

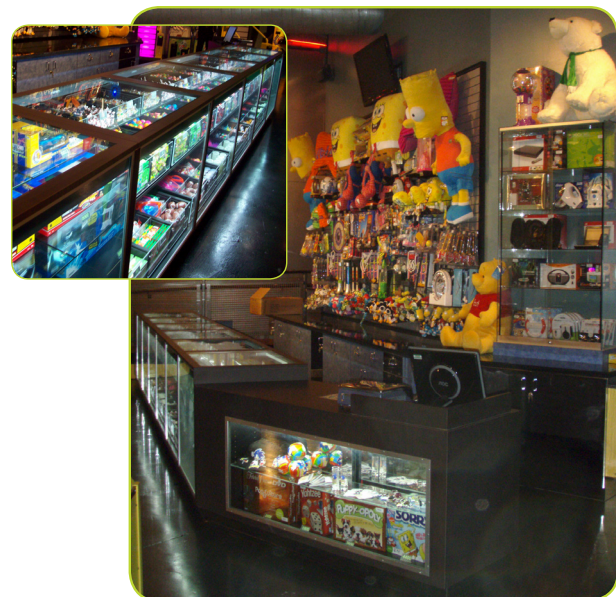

"They're a one-stop-shop for our redemption needs."
